## About iPhone Battery Service

Apple can replace your iPhone battery for a service fee. Our warranty doesn't cover batteries that wear down from normal use.

Your iPhone is eligible for a battery replacement at no additional cost if you have AppleCare+ and your product's battery holds less than 80 per cent of its original capacity.

## How to find battery cost of iPhone?

1. Go to Official [iPhone US Support](#) Page.

## AppleCare+

Your country or region offers AppleCare+ for this product. AppleCare+ includes battery service cover, which means your battery can be replaced at no charge if we test your product and its battery retains less than 80% of its original capacity.

AppleCare+ also provides cover for accidental damage from handling, and each incident is subject to a service fee.
